To Whom It May Concern:

Subject: Consent Decree Action 80-73699

This is to provide notice that we plan to replace two wells on the Riverview site. One will replace Well No. 8. The second will be a fourth attempt to establish an upgradient well in the general location of former Well 7 and its replacement, Well No. 10.

The new well replacing No. 8 will be designated as Well K and the updip well will be Well L according to the new designation system specified in my letter to you dated May 8, 1986.

The work is scheduled to commence on September 1, 1987 at 9:30 a.m. This date is determined by the well driller's schedule. I believe the task will be completed in less than six hours. Please let me know if you plan to witness this activity by calling me at (313) 246-6161.

Yours very truly,

C. W. Axce
